

Starting a business in Rwanda is easier than in Switzerland, Sweden or Singapore

In just 5 years, Rwanda has reduced the time required to start a business from 44 days to 3 days and leapfrogged over most of the world in doing so. Today, Rwanda is the 5th easiest place in the world to start a business.

Rwanda's government has prioritized knowledge-based enterprise for its economy and is on-track to realize its ambitious Vision 2020 plans which will raise incomes and improve health.
